2014

Hello and Happy Summer!

Wendy Spektor, DDS

We hope you are enjoying the sunshine and slower pace. Remember, that healthy summer glow should include a sunny smile! We're always here for you for cleaning, whitening and all the help you need to ensure your best oral health and smile every day.

Our Spektor Dental team continues to grow. We are pleased to welcome Danny Tremblay, DDS, who joined Spektor Dental in June. We now offer a full complement of dental expertise under one roof, including periodontics and orthodontics. Our close team concept ensures the best communication, and you can cover all your general and specialty care needs without having to travel from office to office.

This spring, we were delighted to receive not one but two *425 Magazine* awards, capturing both the "Best Dentist" and "Best Cosmetic Dentist" categories! We are so grateful to you, our valued patients, colleagues and friends, for your continued confidence and support. Thank you!

Much health and happiness,

Wendy Spektor, DDS and the Spektor Dental team

A Fond Farewell to Cheryl and Tressie

We are saddened to announce **Cheryl** will be leaving us to pursue new career horizons. She will be greatly missed by our entire team and by all of you, we're sure. **Tessie** left us unexpectedly in December after a fall that broke her right wrist in multiple places. She continues with physical therapy but it is not yet known whether she will be able to return to her hygiene practice. She was a part of our Spektor Dental family for more than 20 years. Well wishes and good luck to both of these dear colleagues and friends!
